Activation sequence

July 2011

Allianz **WeatherSafe** activation sequence walkthrough

1

→ Go to www.allianz.ie/weathersafe and click on 'Register for Additional Features' which appears halfway down the page.

The screenshot shows the Allianz Ireland website with the WeatherSafe section. The main banner features a man holding a smartphone and a sign that says "1 My advice get Allianz WeatherSafe". Below the banner, there is a section titled "Your very own Free weather service" with a description of the service and a call to action to "Register for Additional Features (Allianz Customers)".

Your very own Free weather service

Allianz WeatherSafe is a free service that has been created to help you stay safe and plan your life better through the latest weather forecasts. Also accessible by Smartphone, WeatherSafe's best-in-class 3-hourly and 7-day forecasts are supplied by MeteoGroup, one of the world's leading weather forecasters. Allianz WeatherSafe also provides Allianz customers with additional features such as severe weather alerts so that you can protect your family and avoid or minimise damage to your property.

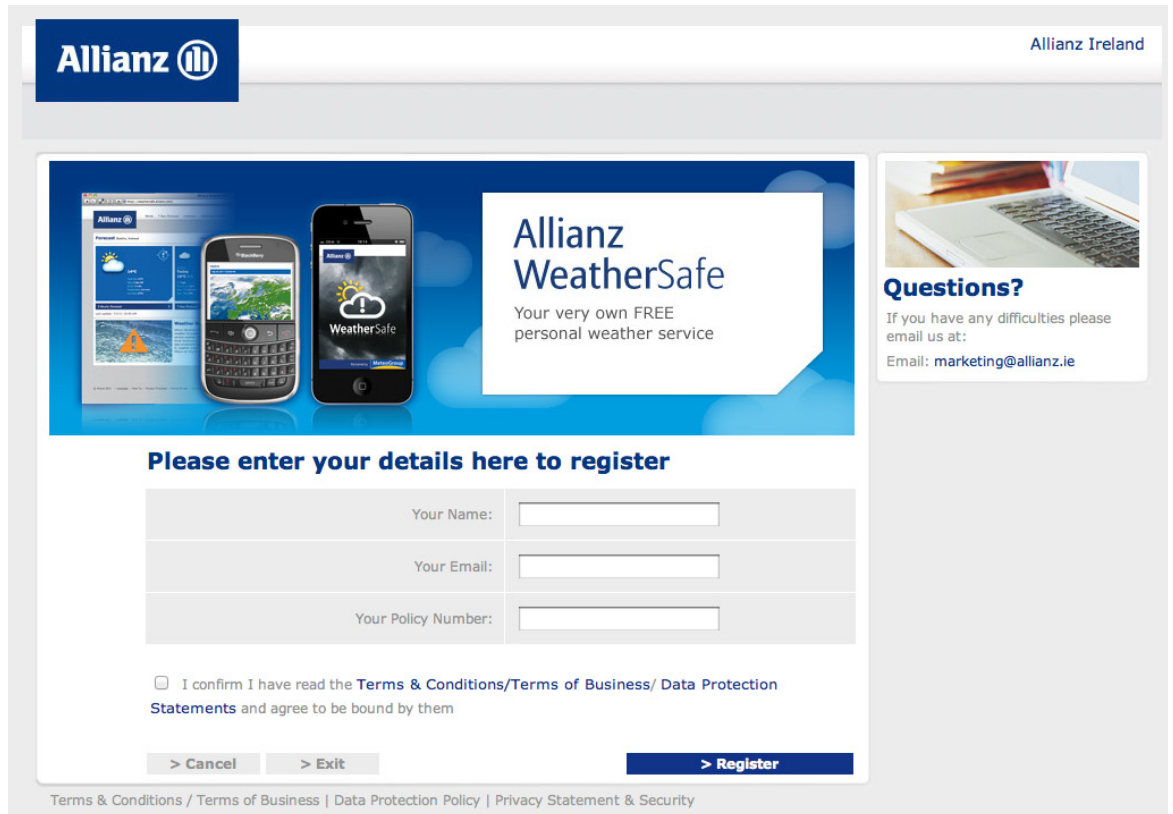

Allianz customers can unlock the additional WeatherSafe features by entering their activation code on the WeatherSafe website. If you are an Allianz customer and you have not received your activation code please register below.

> Visit WeatherSafe Site

> Register for Additional Features (Allianz Customers)

2

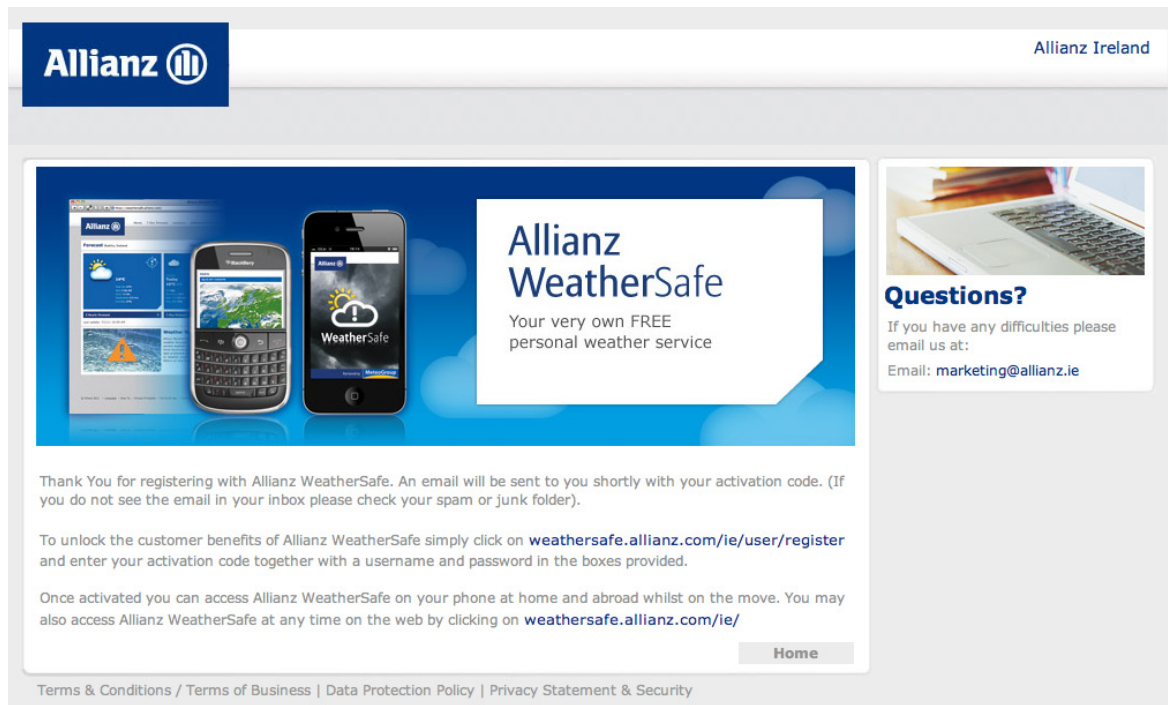

→ Fill in your details including your policy number. Confirm the T&C's and click Register.

The registration form for Allianz WeatherSafe is displayed on a website. At the top left is the Allianz logo, and at the top right is 'Allianz Ireland'. The main banner features a desktop monitor, a smartphone, and a tablet, all displaying the WeatherSafe interface. To the right of the banner, the text reads 'Allianz WeatherSafe' and 'Your very own FREE personal weather service'. Below the banner, a heading says 'Please enter your details here to register'. The form contains three input fields: 'Your Name:', 'Your Email:', and 'Your Policy Number:'. Below these fields is a checkbox with the text 'I confirm I have read the Terms & Conditions/Terms of Business/ Data Protection Statements and agree to be bound by them'. At the bottom of the form are three buttons: '> Cancel', '> Exit', and '> Register'. At the very bottom of the page, there is a footer with the text 'Terms & Conditions / Terms of Business | Data Protection Policy | Privacy Statement & Security'. On the right side of the page, there is a 'Questions?' section with a laptop image and the text: 'If you have any difficulties please email us at: Email: marketing@allianz.ie'.

3

→ A 'Thank You' screen will then pop up to confirm your registration and give you further instructions regarding your activation code E-Mail.

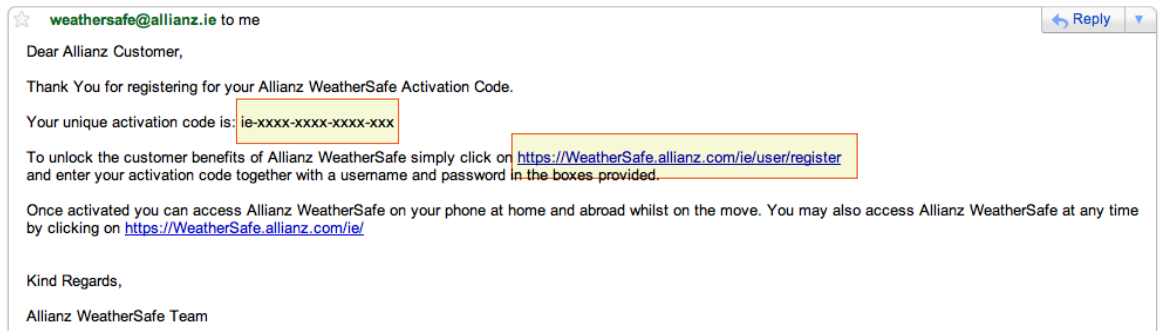

The 'Thank You' screen for Allianz WeatherSafe registration is displayed. It features the same Allianz logo and 'Allianz Ireland' branding at the top. The main banner is identical to the registration form, showing the WeatherSafe service on various devices. Below the banner, the text reads 'Allianz WeatherSafe' and 'Your very own FREE personal weather service'. The main content area contains three paragraphs of text: 'Thank You for registering with Allianz WeatherSafe. An email will be sent to you shortly with your activation code. (If you do not see the email in your inbox please check your spam or junk folder).', 'To unlock the customer benefits of Allianz WeatherSafe simply click on weathersafe.allianz.com/ie/user/register and enter your activation code together with a username and password in the boxes provided.', and 'Once activated you can access Allianz WeatherSafe on your phone at home and abroad whilst on the move. You may also access Allianz WeatherSafe at any time on the web by clicking on weathersafe.allianz.com/ie/'. At the bottom right of the main content area is a 'Home' button. The footer at the bottom of the page contains the text 'Terms & Conditions / Terms of Business | Data Protection Policy | Privacy Statement & Security'. On the right side, the 'Questions?' section is also present with the same text as in the registration form.

4

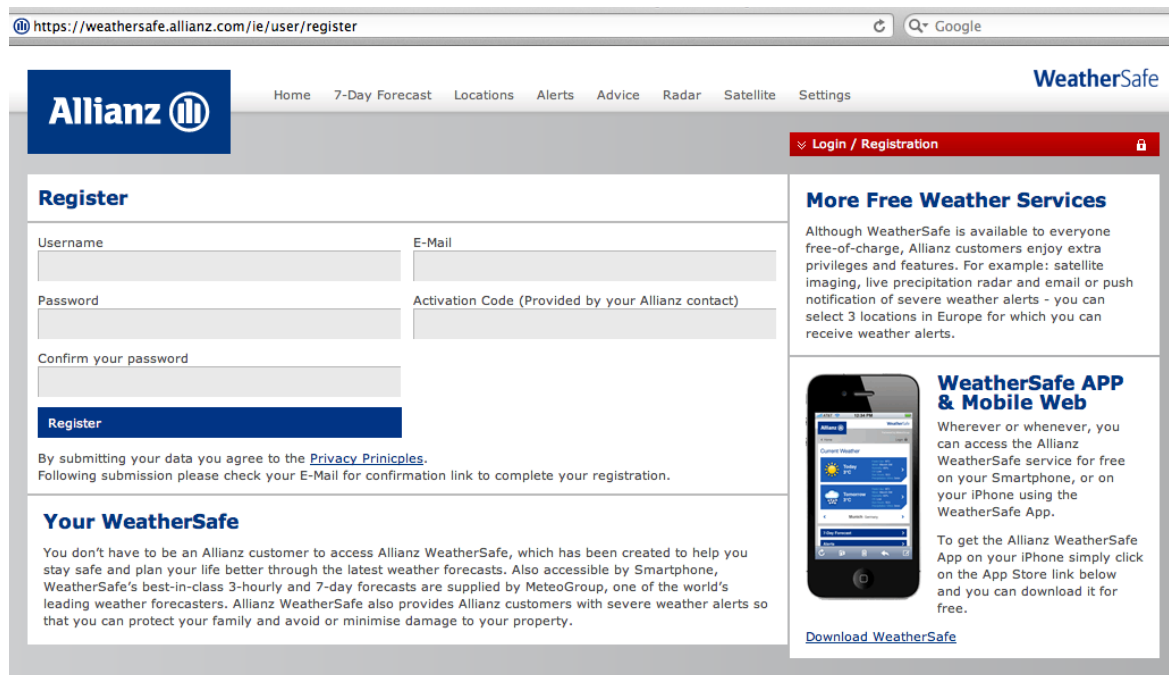

→ Check your E-Mail. If you can't see this E-Mail in your inbox, please check your junk mail. Copy your activation code & click on the URL to continue.

Your Allianz WeatherSafe Activation Code and Link

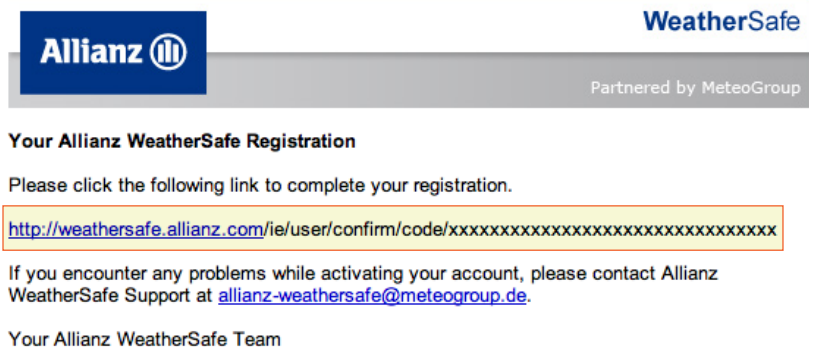

5

→ Enter any username and password and a valid E-Mail address. Paste activation code that was received in E-Mail and click Register. Remember to jot down your username and password in a safe place.

6

→ You will then receive a confirmation E-Mail looking similar to this. All you have to do is click on the link and your username and password will be valid on Web, Mobile or App.

→ Congratulations, you are now registered and can use all the features of Allianz **WeatherSafe**.
